

Enriching Lives: Unlocking Potential

High Expectations. Integrity. Nurturing. Always Learning. Working Together. Taking Responsibility – No Excuses

Year 4 – The Romans

Please complete a minimum of three tasks per half term. You may present your work in any way that you wish. We look forward to seeing some of your amazing creations. Send a photograph in by email to enquiry@moorgreenacademy.org.

Have fun!

	Option 1	Option 2
Remember	Draw diagrams of some circuits which will light a bulb and some circuits which will not light a bulb.	Find out about famous people from Ancient Rome, such as Julius Caesar, Augustus or Hadrian. You could make a fact sheet, a presentation, picture book or informative leaflet.
Understand	Understand how Rome has changed from ancient to modern times (you could investigate Google Street view now and search for maps of Ancient Roman towns to compare).	Understand how electricity has enhanced technology over time and how life has changed since electricity became more widely available.
Apply	Find out about the life of a slave in Ancient Rome and how this affected their future.	Create a list of everyday objects that use electricity.
Analyse	Compare life in Roman Britain with life in England today. For example, you could investigate schools, houses or jobs.	Analyse why trade was an important part of the Roman Empire.
Evaluate	Research the different influences that Roman Britain has had on our lives today.	Roman Britain house or modern-day British house. Which do you prefer and why?
Create	Create a model of a Roman building.	Make your own circuit (with the help of an adult at home). Using your circuit, can you investigate whether different items around the home are conductors or insulators?
