

## Enriching Lives: Unlocking Potential

High Expectations. Integrity. Nurturing. Always Learning. Working Together. Taking Responsibility – No Excuses

### Art

- ❖ Sketch the plants you have at home or find in your local area. Use thick and thin lines and shading to create texture.
- ❖ Create your own 3D plane using junk modelling materials.
- ❖ Design your own plane of the future. Think about how it could be environmentally friendly and what features it might need.
- ❖ Find out more at: [www.birminghammuseums.org.uk/bmag](http://www.birminghammuseums.org.uk/bmag)

### Geography

- ❖ Go online and use Google maps to research where Amelia Earhart travelled from and to.
- ❖ Create a world map marking on the points of arrival and departure
- ❖ Research one of the places Amelia Earhart flew from and to (e.g. New York) and create a poster advertising this location to visitors.

# Year 2 Topic Homework Menu

## Let's Fly!

You can bring work into school or email photographs of work completed at home to [enquiries@moorgreenacademy.org](mailto:enquiries@moorgreenacademy.org)

### Science

- ❖ Create an animal habitat for an animal of your choice using a cardboard box and recycled materials.
- ❖ Create a diagram of a plant and label the main parts of the plant.
- ❖ Go on a 'plant hunt' in your house or local area. What different types of plants can you find? Take photographs if you can!
- ❖ Grow your own plant at home. Keep a plant diary to record the changes you see.

### History

- ❖ Go online and research facts about Amelia Earhart – use these to write your own fact file
- ❖ Create a diary entry for Amelia Earhart on one of her flights; think about how she might have felt and what she might have seen
- ❖ Create a timeline of your life so far, include important dates, such as when you were born, when you started to walk etc.
